

# Trac-Cut™ Rolling Spray Shield

Distributed by AFD

Detailed Outlining  
for Field Logos

Trac-Cut™

How do the professionals create  
precision field logos?

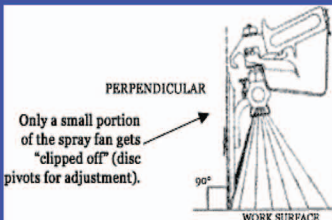

Try the Trac-Cut

Rolling Spray Shield Features:

- Razor sharp cut-lines
- Disc shield makes contact with work surface and cuts as it rolls
- Reusable discs last for years

Features:

- Razor sharp cut-lines
- Disc shield makes contact with work surface and cuts as it rolls
- Reusable discs last for years
- Attaches to spray tip (clamps to plastic tip guard)
- Will attach to most airless tips
- No tools required
- Because it attaches to the tip, you can use any length extension wand.

\$140 plus \$10 handling  
and shipping
